Short Responses and Student Certification

1. Your Story

In 500 words or fewer, describe how your own pediatric illness or a life-threatening illness experienced by your parent or sibling affected you. Explain how the experience shaped your character, goals, or outlook. Share only what you are comfortable disclosing; medical documentation is not required.

2. Your Next Step

In 150 words or fewer, tell us what you hope to pursue after high school and how this scholarship would help you move toward that goal.

STUDENT CERTIFICATION

I certify that the information in this application is accurate and that the written responses are my own work. I authorize Katy High School to confirm my enrollment and graduation status with The EveryWish Foundation for scholarship administration.
